## NEW LAW REQUIRES SCHOOLS TO IMPLEMENT ABUSE PROGRAMS

Indiana's children have additional protections from physical and sexual abuse by virtue of a new law championed by State Sen. Frank Mrvan.

Signed into law in May by Gov. Eric Holcomb, the law requires the Indiana Department of Education to provide model policies and reporting procedures for child sexual abuse to assist school districts in implementing programs in grades K-12 no later than July 1, 2018.

North Township Trustee Frank Mrvan said, ultimately it was the 73 students from Whiting, Hammond, East Chicago, Highland and Munster who came forward with first-person accounts of horrific abuse that moved legislators to enact the No More Secrets law.

"This law is a testament to individuals who had the courage to come forward," he said. "After seeing the impact our campaign had in our area, we knew we needed to further solidify our work by ensuring this message reverberated throughout the whole state."

Children who have come forward to report abuse are receiving counseling. "The sooner children are moved away from the abuse, the greater their chances for living full, productive lives," Mrvan said. "No More Secrets gives children the support they need to fulfill their dreams."

**What's next?** The team will talk to students in Gary, Fort Wayne and Mishawaka. **New chapter:** Free programs for survivors in North Township. **Learn more at:** [NoMoreSecretsNWI.com](http://NoMoreSecretsNWI.com).

# TRANSITIONAL HOUSING PROGRAM TO HELP OUR HOMELESS VETERANS

North Township and the Housing Authority of East Chicago are partnering to end veteran homelessness.

A four-unit complex that is being refurbished for veterans and their families will be ready for occupancy this fall.

The program provides more than shelter for homeless and struggling veterans who have fallen on hard times.

North Township Trustee Frank Mrvan said what differentiates this initiative from others is its focus on family.

“We will be working with families to provide wrap-around services, such as financial literacy, mental health, job placement and transportation as well as transitioning these veterans into home ownership,” Mrvan said.

adjust following active duty, will be assisting in the effort.

“These veterans are struggling with the emotions of war and the family is a huge part of the healing,” he said. “When you separate them, it does an injustice.

Once an individual is accepted into the program, there is no deadline to leave.

“Our veterans can stay as long as it takes to help them become self-sustaining,” Mrvan said. “They put their lives on the line for us. It’s the very least we can do to help them.”

**LETTER FROM THE NORTH TOWNSHIP TRUSTEE**

**“Recreation, fitness and entertainment abound as we continue to make enhancements to park”**

If you haven’t been by Wicker Memorial Park yet this spring, the first thing you will notice is the new fencing and park entrances. We are proud of this very visible improvement and even prouder of what’s inside.

Athletics. Recreation. Entertainment.

We work to offer as many opportunities to enjoy the park as there are residents in North Township.

Our golf course is truly one of the jewels of the park. The greens are in great condition and there is shade again on the fairways, thanks to a multi-year effort to replace trees lost to emerald ash borers.

There is always room for one more on

our outdoor fitness equipment, which has been in high demand since it was installed a year ago. The equipment has become a favorite place – not only for exercise, but for residents to get social while getting healthier.

It’s the same at our dog park, which is incredibly popular with pooches and their owners.

Join me this summer. I’ll be pitching my tent at the upcoming family camp-out and taking in as many Thursday concerts as possible. See you at the park!
